

Donated Cars Changing Local Lives

Wheels4Hope is a faith-based, car donation program dedicated to helping economically challenged families and individuals by providing them reliable, affordable vehicles. Wheels4Hope takes donated cars, staff and volunteers repair them, and we place them with qualified recipients who are referred by Partner Agencies. We celebrate with a Car Blessing for each recipient as they receive the keys to their car!

Ways to support Wheels4Hope:

- **Car Donations**
 - Your used car will change local lives
 - Donate your car & get the best tax advantage

- **Volunteer your time and skills**
 - Car Runners**
 - Pick up donated cars
 - Drive cars to/from our Partner Garages

 - Vehicle Assessor**
 - Assess donated vehicles following a checklist
 - Drive vehicles to State Inspection location

 - Mechanics and Car Enthusiasts**
 - Assess donated vehicles following a checklist
 - Make repairs on donated vehicles

 - Volunteer Sales Person**
 - Price vehicles for public sale using defined process
 - Show Retail Sales customers available vehicles for public sale
 - Maintain advertising on website and Craigslist
